

STORM KING ART CENTER

Bike Map

BIKE RULES

Helmets must be worn at all times when riding.

Please do not ride or walk bikes on the grass.

Stay on marked routes

Biking is permitted only on the routes marked in green on this map. Please walk bikes on paths indicated with a dashed line. Loose gravel may be present on all surfaces, use caution.

Share the road

Please give pedestrians plenty of space on roads and paths—alert them when approaching or passing. You may also encounter cars on Museum Road and around the parking areas.

Use bike racks when available

Racks are provided so that you may safely visit sculptures in the vicinity. If you're visiting a sculpture area without a bike rack, please leave your bike well off the roadway.
