## ENJOY YOUR VISIT

Storm King seeks to provide a welcoming atmosphere for visitors of all ages. Staff members are happy to help with questions about wayfinding, amenities, sculpture locations, suggested routes, and accessibility. For your safety, please stay out of native grass fields. Children must be supervised by an adult at all times.

PLEASE DO NOT TOUCH THE ARTWORK 

Touching, walking, or climbing on most works of art at Storm King is prohibited. The sunscreen, lotion, bug spray, and natural oils on your hands damage the surface of the sculptures. We ask that you refrain from climbing artworks for your own safety and the safety of others.

INTERACTIVE WORKS 

There are a few artworks that visitors may touch and physically interact with. These are designated on the map and on the grounds with a hand icon.
